

Your Single Source

LITIGATION SUPPORT PARTNER

SALIX IS PROUD TO OFFER THE AREA'S MOST COMPLETE LITIGATION SUPPORT SERVICES. Unlike many of our competitors, the services listed below represent the capabilities that we have within our organization. We offer a comprehensive array of services ranging from basic Copying Services to the most complex E-Discovery and Computer Forensics Solutions. SALIX employs and develops subject matter experts, certified imaging architects, and a broad range of highly trained industry professionals to support you from "FILE TO TRIAL".
